

Sin separates man from God.

The only solution to this problem is to put sin to death.

Jesus came for this purpose.

As God the Son, Jesus took the world's sin upon Himself and was put to death, putting to death with Him the sin of all who love Him. On the third day, Jesus was raised back to life, defeating death for all who belong to Him.

Now, for those who trust in Jesus, sin is paid for and death is defeated, being replaced by eternal life in Heaven.

You can belong to Jesus.

Ask Him. Pray to Him and confess your guilt. Acknowledge Him as the One and Only God, and commit your life to Him.

This Christmas, accept God's gift to you and change your life forever.
